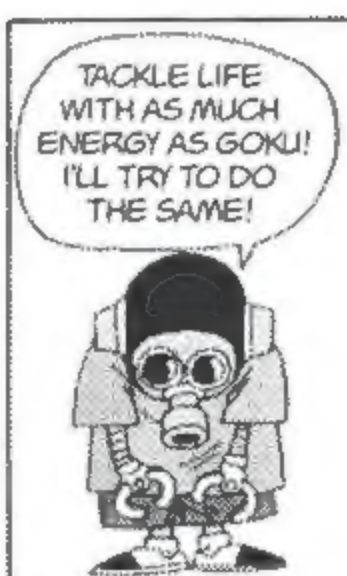
THE-END

FINIS



Thank you so much for reading **Dragon Ball** for all these years. I'm grateful for all the support you've shown me, right to the finish line! I've been planning this end for quite a while–I'm sorry that it had to be announced so suddenly. My editors have agreed to let me end this manga so I can take some new steps in life. It's time to take a break–although I may draw some one-shots here and there. I'm sure you'll see me again, and I'm sure it'll be fun (or at least, I hope so), so stay tuned! Until we meet again–so long!
